## Top Visitor Tips

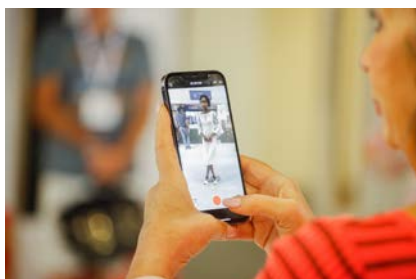

### Be Prepared

Take a look at our full exhibitor list on our website to identify which brands are a must-visit. Don't forget your comfy shoes!

### Make Appointments

Where possible, make appointments with key brands in advance so you can rest assured you've got time to ask questions, view collections and place orders.

### Set your goals

Think about your goals. Are you looking to seek out new trends, expand popular categories, discover new labels or introduce add-ons, such as accessories?

### Pick up a Showguide

Be sure to pick up one of our official show guides to plan your route and drop off any baggage or coats at our free cloakroom for safe, easy storage.

### Take Notes

Take note of stands that catch your eye as you walk the show so you can revisit those of interest.

### Take Your Details

Have your business details to hand, including bank details, to make opening any new accounts slick and stress-free. Having a business card to give to any new contacts is also a good idea.

### Take Pictures

Once you've placed an order, you might want to take photos of the items you've chosen to avoid buying anything too similar at other stands.

### Enjoy!

Above all else, enjoy, be inspired and build brand relationships... then reward your buying efforts with dinner (and glass of bubbles!) at one of Harrogate's fabulous restaurants.

# Soak Up Harrogate
